A very special program has been planned for the students and parents of Southern Indiana. This program is co-sponsored by the Evansville Vanderburgh School Corporation, Evansville Catholic Schools, Southern Indiana High Schools, University of Evansville, University of Southern Indiana, Ivy Tech Community College, and Oakland City University. Its purpose is to provide opportunities for high school students and their parents or guardians to obtain first-hand information regarding college admission requirements, testing procedures, cost, financial aid, NCAA (Athletic Requirements) and courses of study of the institutions which have accepted our invitation to participate.

The program will begin at 1:30 p.m. and will continue until 3:00 p.m. Over seventy colleges, universities, special schools, and military organizations will be participating in this program. This includes the University of Southern Indiana, University of Evansville, Ivy Tech State College, other Indiana Colleges and Universities, and educational institutions from other states.

If you have questions, please contact your high school guidance counselor. A program with details and location assignments will be available on the day of the College Fair.
