$\qquad$ Date: $\qquad$
Floor Plan Analysis

1. Shade the quiet areas with light blue color pencil
2. Shade the social areas with light yellow
3. Shade the work areas with light green
4. Trace the traffic patterns in red
5. Trace the door openings in purple
6. Circle the windows in orange
7. Indicate how the living space could be modified for people with physical disabilities.
8. Are the areas divided appropriately into quiet, social, and work areas? Justify your decision.
9. Are the traffic patterns safe and convenient? Why?
10. Is there adequate storage? Why or why not?
