

## Volunteer Project

Step 1: Compose a short essay based on the following information (2 pages, double spaced):

- A **detailed description** of your volunteer experience.
  - Describe what you did
- A description of the organization(s) that you worked with.
  - What does the organization do for the community?
  - Who is involved in the organization?
  - How is the organization organized?
  - Where is the organization located?
  - Is it a local, state or national organization?
- Who did you help?
- What did you think about the experience
  - Was it a good, positive experience?
  - Was it a meaningful experience?
  - Was it a bad, negative experience?
- Were there other volunteers involved?
  - Were they the same age as you?
- Would you do this specific volunteer experience again in the future?

Step 2: Create a display board

Create a display board that represents the organization(s) you volunteered for.

Step 3: Present

Present your display board to the class. Explain what you did with the organization and why you chose this organization. Also, tell a little bit about the organization you volunteered with.
