EXPECTATIONS:

- All assignments are required to have the student's name written on them.
- Unless otherwise instructed, all assignments are required to be completed using complete sentences.
- It is expected that the student does his/her own work. Assignments that are turned in with work copied from classmates, the Internet, or sources other than your own brain will be given a zero.
- Assignments need be legible (the teacher has to be able to read them!).
- The student is responsible for all of your absences and for your make-up assignments.
- Lack of thumbprints and other such additions is preferable.

CLASS FOLDERS:

- Each student will be given a folder that will be kept in the classroom.
- The students are free to take their folders home to study or work on assignments when needed.
- Folders should be retrieved immediately upon entry to the classroom by the student.
- All handouts and notes need to be kept in the prongs of the student's folder.

- Assignments being turned in should go in the front pocket of the folder. Time will be given in class to organize folders when they are due; failure to do so will result in a late work penalty *after* the issue is resolved.
- All graded assignments will be returned in your folder. If you believe there is a mistake in the grade, the student will have until the end of the week that the assignment is returned to ask about it. The student must still have the assignment to request a change.
- Make-up work will be placed in the student's folder. It is the student's responsibility to complete it and turn it in on time.
- Folders may be used on designated parts of some tests and quizzes.
- Late work will be accepted for partial credit or no credit at the teacher's discretion.
